WHILE TEST SCORES CAN PREDICT ACADEMIC SUCCESS, SELF AWARENESS BASED SKILLS SUCH AS RESPONSIBLE DECISION MAKING, CONFIDENCE, AND MAINTAINING HEALTHY RELATIONSHIPS WILL BETTER PREPARE STUDENTS TO NOT ONLY GRADUATE, BUT TO THRIVE IN COLLEGIATE AND REAL WORLD ATMOSPHERES.

LESS "WHAT AM I"? MORE "WHO AM I"?

A.Bevy Academy provides creative & introspective workshops, presentations, & lessons for middle and high school aged students.

Utilizing A.Bevy's self awareness curriculum, our experiences take the focus off of the textbooks and places it onto the amazing individuals reading them.

By building self awareness, student success increases exponentially within the scopes of social emotional learning, college & career readiness, and exposure to the existence and feasibility of attaining a better life.

GOALS

By educating students to become more self aware, we are able to help them:

- 1. MAINTAIN A POSITIVE SOCIAL & EMOTIONAL ATTITUDE**
- 2. MAKE THE RIGHT CHOICES FOR THEMSELVES & THEIR FUTURE**
- 3. BELIEVE IN THEMSELVES ALONG THEIR EDUCATIONAL & LIFELONG JOURNEY**

The A.Bevy Academy experience ensures that each student will excel in these 3 aspects. As the school of self awareness, we take pride in every student leaving our care as a more hopeful, equipped, and passionate person.
