2017 EXHALE DREAM ENDOWMENT APPLICATION

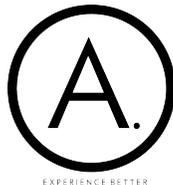

The EXHALE Dream Endowment was created in March 2017 during a meeting between Surena Mitchell and Bryant Kirk White. This meeting led to reflection from Surena's post graduate life in which she has "inhaled" so much that she decided not to let it put her down nor set her back any longer. Surena and her mother, Marlene share a similar story which led to the creation of EXHALE Hookah Company. These changes in their lives pushed them to utilize their stories in order to inspire others to pursue their dreams and realize their potential no matter what America tells you to be.

The biggest issue that many entrepreneurs face are monetary needs. The founders of The EXHALE Hookah Company endured the same monetary struggles and hardships, but continued to overcome hardships with the goal of creating a new business, creating a new vision for the industry, and continuing their passion for helping others to pursue their dreams through The EXHALE Dream Endowment.

The EXHALE Dream Endowment was created to provide the dreamer with resources they need to get closer to their purpose. The EXHALE Dream Endowment is currently a \$500 award to those who are between the ages of 18-26 who are ready to make their dreams a reality.

Anyone interested in the EXHALE Dream Endowment must fit the following criteria:

- 18-26 years old at time of application deadline
- Have application and all required material requested in the application properly turned in by **April 10, 2017**. The applications will be read by a selected council and the winning application will be chosen by vote through majority agreement.
